

## BODY SHOP

COMPILED BY HANNAH LEVY

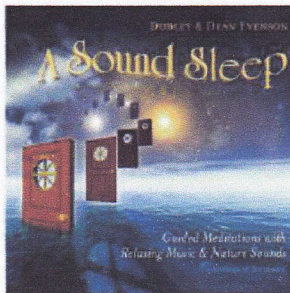

### NORTHERN LIGHTS YOGA MAT

The Aurorae Northern Lights Yoga Mat is biodegradable, and made from an environmentally safe phthalates-free material. Available in five colors: Energy, Passion, Sky, Sunset, and Wilderness. The yoga mat measures 72" x 24" and is 5 millimeters thick to better absorb impact on joints. It is available for \$59.95 at [www.auroraeyoga.com](http://www.auroraeyoga.com).

### A SOUND SLEEP

This CD features guided meditation with relaxing music and natural sounds to soothe and promote a relaxing sleep. Produced by husband and wife team Dean and Dudley Evenson, the two tracks feature flute, harp, keyboard, and sounds of nature. The CD booklet contains a comprehensive guide for falling and staying asleep. This 60-minute CD is available for \$13.49 at 800-937-3223 or [www.soundings.com](http://www.soundings.com).

### HOPTU LAPTOP SLEEVE

The Hoptu Laptop Sleeve by LooptWorks is made from "upcycled," excess neoprene (wetsuit material that would have otherwise been incinerated, thus releasing toxins into the atmosphere). The durable material cushions and protects computers and the upcycling process protects the environment. The laptop sleeve is available in a variety of colors and sizes for \$26-\$30 at 855-923-7537 or [www.looptworks.com](http://www.looptworks.com).

### NAKED ORGANIX

Organix South introduces Naked Organix, a new line of concentrated plant-based body butters and soaps. The products are fragrance-free, and contain no glues or parabens. The product line includes argan for dry skin, neem for sensitive skin, sea buckthorn for antiaging, and tamanu to calm and balance sensitive skin. The body butter comes in a 4-ounce jar for \$14.95 and the soap in a 4-ounce recyclable box for \$6.49. Both are available at 800-232-3142 or [www.organixsouth.com](http://www.organixsouth.com).
