Aurorae's certified organic yoga mat cleaning solution is formulated with essential oils to keep your yoga mat clean, disinfected and smelling fresh.

It is phosphate-free, biodegradable and hypoallergenic and does not contain alcohol or any other drying ingredients that will degrade your yoga mat.

It will remove sweat, dirt and other impurities to allow you to get the most out of your practice as well as keep you safe from any bacteria.

Aurorae yoga spray comes in an aluminum 4oz bottle to keep your yoga mat cleaner, fresh and safe from any chemicals unlike a less expensive plastic bottle.

To keep your mat clean and fresh: Spray your Aurorae Yoga Mat Wash directly onto the yoga mat and let soak for a few minutes then wipe or air dry your yoga mat. Do as needed after use. This will disinfect, restore and keep your yoga mat fresh and clean. Your yoga mat must be dry before use.

Ingredients: Saponified organic oils of coconut, olive and jojoba, natural essential oil blend, organic Aloe Vera and rosemary extract.
