This review is from: Aurorae Yoga 100% Cotton Sport Sweat Towel. Absorbs perspiration and helps stop slipping on your Yoga Mat (Misc.)

Once again, I am really pleased with Aurorae's products. I used this towel together with the Rosin Bag on my Aurorae mat. This is a really nice sized towel and soft enough to rest under my forehead. I use it folded up to help with some poses, as well. Use it with the Rosin Bag and you will not slip at all!

This Aurorae mat spray is awesome! It smells great, and cleans my mat easily and thoroughly. I spray down my mat after class. It disinfects all those sweat stains, and refreshes the material beautifully. The spray fits conveniently into the Aurorae demin mat bag. I highly recommend this product!

This review is from: Aurorae 8-Foot Yoga Strap w/D-Ring Buckle, 100% Natural Unbleached Cotton. Made in USA (Misc.)

RECEIVED THIS STRAP AS A GIFT AND I LOVE IT. NATURAL COTTON AND VERY STRONG WITH ADJUSTABLE METAL D RING.
LOVE THE EXTRA TOUCH THIS COMPANY DOES BY PUTTING A PURPLE TWILL TRIM, THAT MATCHES THEIR OTHER PRODUCTS, ON BOTH ENDS OF THE STRAP.
DEFINITE BUY
