

Aurorae - Eva Foam Yoga Block, 4-Inch Extra Wide, Eco-Safe

- Provides stability, support/height needed to do poses safely and effectively
- 9"x 6"x 4" extra wide, high density for strength and stability
- Light weight, easy to carry, fits easily in our Aurorae Yoga Sak
- Soft comfortable construction with beveled edges
- Eco-safe Eva foam, durable and easy care/ SGS approved

Aurorae - Eva Foam yoga blocks are made from sturdy, scratch resistant Eva foam. Each yoga block has beveled edges for added comfort. You will find these yoga blocks to be very strong and durable, and yet incredibly lightweight, 5.8 oz, and easy to carry.

Foam yoga blocks lend support and extension to yoga postures. They provide the support and/or height needed to do poses safely and effectively. When placed under the hips, hands, heels, or between the hands, they provide the stability and grounding needed to extend fully.

Easily cleaned by wiping with damp cloth or spray with Aurorae Yoga Mat Wash and wipe dry.

This yoga block is Eco-Safe and has been SGS approved, the world's largest testing, inspection and verification company for certification and your safety. Free from Phthalates.

Don't be fooled by other inexpensive blocks. Aurorae yoga stands for quality and service and our #1 concern is developing the best possible product to make your yoga experience as pleasant as possible.

Remember "It's Your Yoga"

"Your Island of Peace and Tranquility"

Thank you for your loyalty & support. Namaste.
