Please make sure you follow the yoga tip care instructions on the yoga mat for best results with your Aurorae yoga mat.

Yogi Tips

1. Wash your hands with soap and water before using your yoga mat to reduce any natural oils in your hands so that they aren't transferred to the yoga mat.
2. Do not use creams or oils on your hands or feet before your yoga practice to keep your yoga mat clean.
3. Wash your yoga mat with a soft brush and a tablespoon of dish washing liquid or detergent mixed with warm water, then rinse. Repeat if necessary.
4. Hang dry your yoga mat outside in the sun if possible. **DO NOT PUT IN DRYER.**
5. To keep your yoga mat fresh and clean, spray Aurorae yoga mat wash onto mat and let soak then wipe dry. Use to naturally clean your yoga mat while also giving it a fresh natural scent. Use as needed.
6. Always keep a cotton towel next to your yoga mat to wipe away any perspiration. Available through Aurorae.
7. If necessary use an Aurorae Yoga Slip Free Rosin Bag to absorb any perspiration and increase gripping power on your Aurorae yoga mat.
