Product Description

There are no other yoga bags of this quality and made of denim in the yoga market. Our Aurorae Logo is embroidered on the Mat Sak, which is our symbol of high quality and great service. The Aurorae yoga Mat Sak is a practical approach with a sense of fashion. Only 8.6 oz, 100% premium ring spun Cotton denim washed the way you like your favorite jeans.

Vintage Wash: Sandblasted, stone washed, worn and broken-in like your old favorite pair of jeans.

Midnight Wash: Slightly sandblasted and rinsed to a soft hand to maintain a deep rich indigo color.

The Aurorae Yoga Mat Sak comes in a universal denim fabric that goes with everything and all colors. It is lightweight to carry and machine washable. The Aurorae Yoga Mat Sak is extra long at 28" in length and will fit most size yoga mats with room to spare. Because it is extra wide at 8.3" in diameter, it will fit your yoga or exercise mat plus yoga accessories with easy access and drawstring closure. The large cargo pocket with Velcro flap will carry all your accessories plus an outer easy entry cell phone pocket. The zipper pocket will hold your valuables with no worries of anything falling out. Lastly, the adjustable shoulder strap makes the Aurorae Yoga Mat Sak easy to carry.
