Product Description

The Aurorae 8-Foot Yoga Strap w/D-Ring Buckle is made from 100% natural unbleached Cotton and Made in the USA.

Yoga straps are ideal for yoga students of all levels, as they help practitioners deepen certain stretches and hold yoga poses for longer periods of time while maintaining proper alignment.

Beginners will find the Aurorae Yoga Strap useful for performing hamstring stretches or improve flexibility needed to simply connect his or her limbs together when he or she is not strong or flexible enough to do on their own. More advanced yoga students or instructors can use the straps to step into and hold more challenging poses.

The strap is made of 100% natural unbleached Cotton, with a strong, user-friendly D-Ring metal buckle that holds the strap securely in place during use. This 8-foot long strap provides excellent durability and comfort in an environmentally friendly and biodegradable way.

Don't be fooled by other inexpensive straps. The Aurorae yoga logo stands for quality and service. Our #1 concern is to develop the best possible products to make your yoga experience as pleasant as possible.
